Kurt doesn't just stop at offering a internet service to his customers, he also provides "FREE" internet services to the following businesses in Bucyrus.

Did you know that Kurt furnishes "Free" internet to the following businesses in Bucyrus?

City Hall...Fire Department...Isaac-Beal Street Garage, Bucyrus Airport, Aumiller Park...Bucyrus Water Treatment Plant...Bucyrus Wastewater Treatment Plant and the Millennial Park.

The "FREE" service saves the city \$30,000.00 a per year.

During the EF1 tornado that caused a lot of havoc in Bucyrus on April 17, 2024, that tore down the city police phone lines, it was Kurt Fankhauser that provided the police with a working phone system that made it possible for them to have emergency communication and city hall phone communication.

I want to publically "THANK" Kurt Fankhauser for his sincere dedication for the City of Bucyrus. You came to the rescue and offered your services so the city could carry on through an emergency. THANK YOU!

Respectfully submitted
